

ARRA Bio

Arra is one of the best and largest drawing classic rock cover bands in the Chicagoland area and has been for the past 2 decades and was just voted BEST CLASSIC ROCK BAND in the Suburban Nitelife best of the burbs contest for the second year in a row!! Performing the biggest hits by the biggest bands of all times with precision and excellence is the secret to their success. Their unparalleled vocal harmonies and incredible musicianship is also what has brought them to being one of the most sought after club and festival bands in the Chicago area markets. Arra has performed with some of the biggest bands and performers of all time. Kansas, 38 Special, Survivor, Rare Earth, The Ides of March, Steppenwolf, Paul Rodgers from Bad Company and Dennis DeYoung from Styx are just a few of the National acts that Arra has shared the stage with throughout the years. So check out an Arra show as soon as you possibly can to see what the buzz is all about for yourself. It will also give you a chance to be one of the hundreds of thousands of people who have watched Arra perform over the years, and see and hear why hands down, Arra is the best classic rock cover band in Chicagoland!!
